**Inclusive Bills,
One Simple Payment**

#jointhehuddle

About Huddle

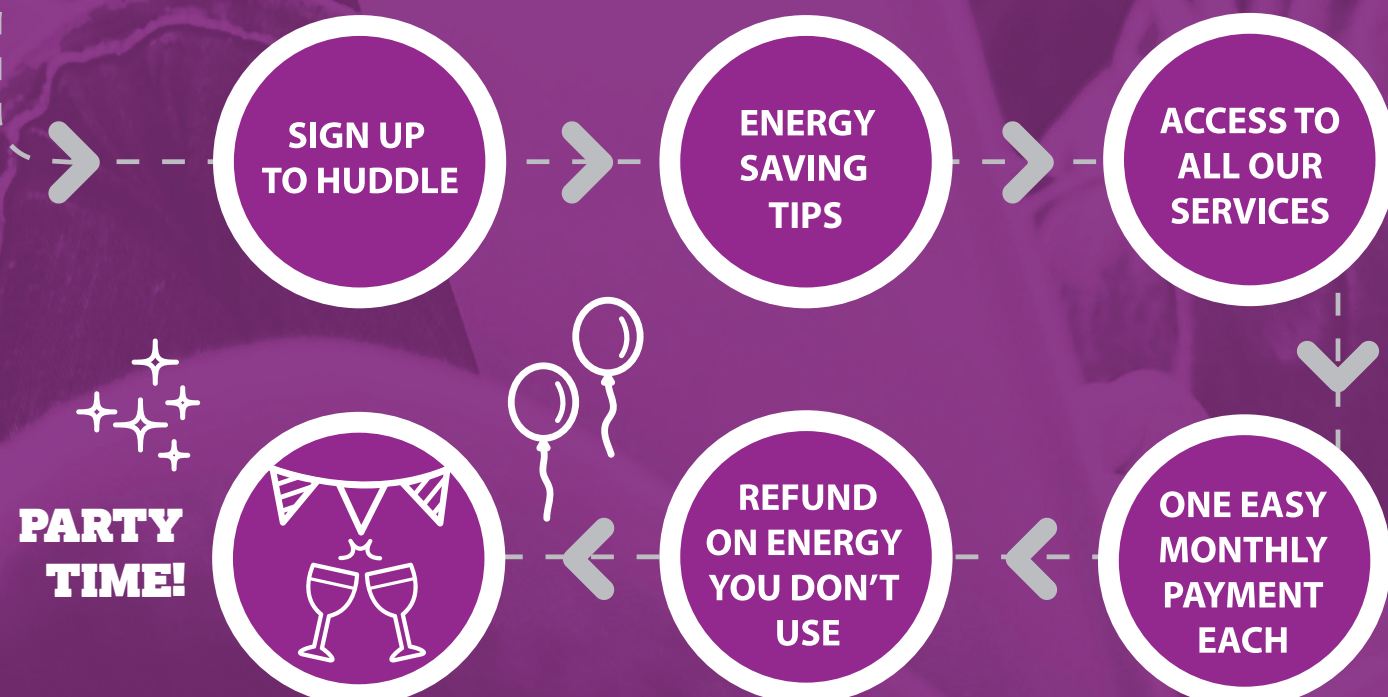

We know that utility bills are not high on your bucket list, so we can help take the hassle out of the process. We have seen many students not get organised which results in bills getting ignored and building up. The utility companies themselves can also be extremely difficult to deal with. That's where Huddle comes in...

Gas - Electricity - Water - TV Licence - Broadband

The Huddle Solution

The Huddle solution is simple. We combine all of your bills into one easy payment, meaning that all you need to do is each pay the same amount each month split evenly between all of the household members.

How The Huddle Process Works

The Huddle Benefits

Huddle offers a whole host of great benefits right from the start to make your lives as easy as possible and take all the stress out of dealing with bills.

ONE EASY PAYMENT PER MONTH

All payments come out of each housemates account separately, so no more arguments. At the end of the year, each housemate will receive a refund for any energy that has not been used

CHEAPEST INCLUSIVE BILLS PROVIDER

Our prices are cheaper than our main competitors. We are constantly striving to get you the best deal possible. We don't charge a deposit or a sign up admin fee.

24/7 ACCESS TO ACCOUNT PORTAL

As a customer you benefit from access to your own account portal which you can access any time. Here you can track in real time your energy usage and see how much you are on track to save.

DIRECT OVERUSE NOTIFICATIONS

We're constantly striving as a company to help you save money. One of the great ways we do this is to always keep you informed of your usage. We send notification emails if you are close to going over your allowance.

FREE INSTALLATION ON ALL OUR BROADBAND

All of our broadband packages are installed absolutely FREE to all of our lovely Huddle customers. That means that you save even more money by coming with us!

WE TAKE CARE OF EVERYTHING

Huddle contact all the necessary energy suppliers on your behalf right from day one, so it's completely hassle free. Just sit back and relax.
